This is the sixth Poker Run since the Redding Dog Pound came into existence as a group of people that love to meet people, love to have fun, and love to ride. We first got together on a Saturday morning in April 2001 for our first ride together. On that fateful day we were enjoying the beautiful weather in the mountains when a speeding driver hit our point man head on. This brought the group together in a very strong friendship. The point man survived the crash with some minor injuries. He was named "Lucky Dog" by the rest of us on the ride that day. After that we started giving each other Dog Names. Over the last few years as we get together for our rides the group seems to pick up a stray rider here and there who join us, which is why we call ourselves the Dog Pound. We are not a motorcycle club, so we don't compete for members. In fact, many of the people that ride with us belong to other clubs. Many of them don't. The Dog Pound is made up of whoever is on the run on any given day. We are proud of being able to sponsor a fund raiser for Haven Humane Society, to help the stray and needy animals in our area.

This is a charitable event. All proceeds from the Poker Run will go to Haven Humane Society to help pay for the care of the animals in their care. The mission of Haven Humane Society is to promote humane treatment of animals through sheltering, spay/neuter, adoption and community education. We hope that everyone enjoys themselves and we would like to invite you back next year for the 7th Annual Redding Dog Pound Poker Run.

Thanks to last years sponsors!
